

ARJUN ASKS ACTIVITY BOOK

Ages 4-6

Name _____

COLORING FUN

Draw an airplane flying in the sky

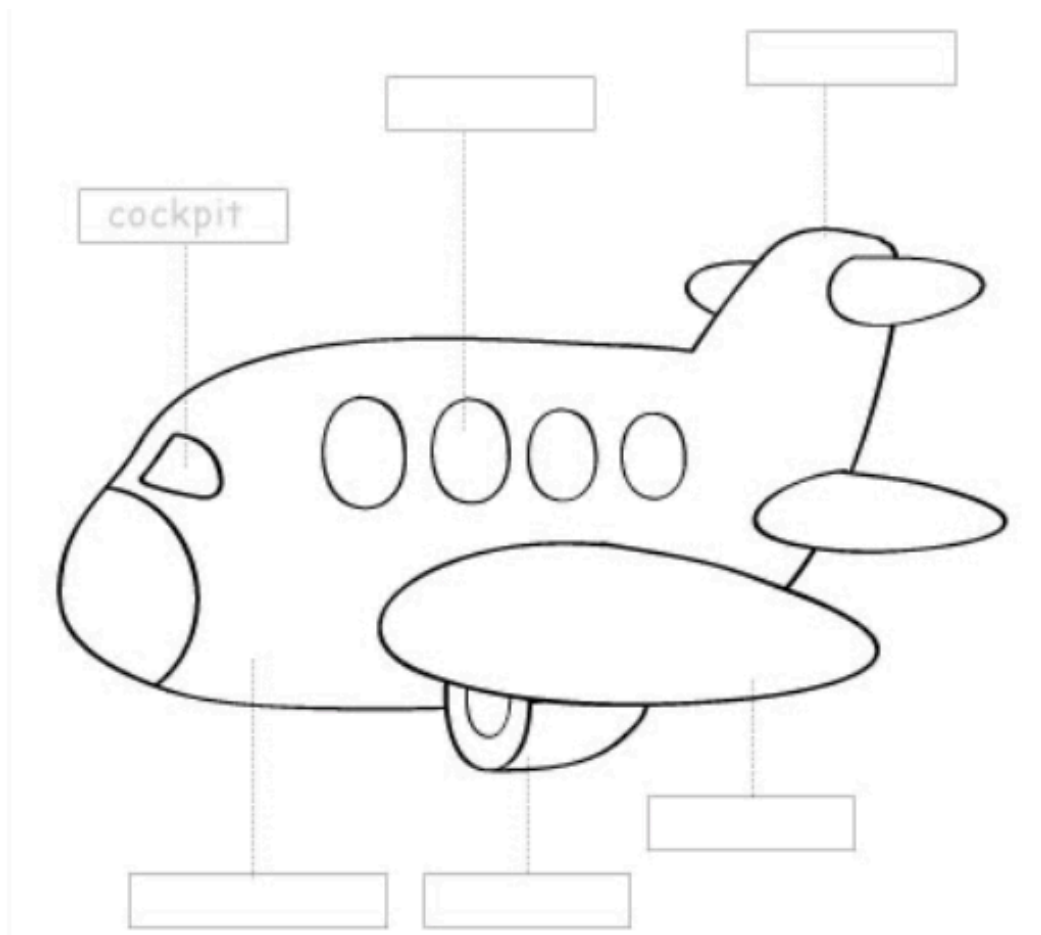

DO YOU KNOW?

1. ENGINES MAKE A BIG PUSH! AIRPLANE ENGINES GIVE A BIG ZOOM! THAT PUSHES THE PLANE FORWARD SUPER FAST—JUST LIKE A RACE CAR!
2. THE SKY HAS INVISIBLE ROADS! AIRPLANES DON'T BUMP INTO EACH OTHER BECAUSE THEY FOLLOW INVISIBLE SKY PATHS, LIKE SECRET AIRPLANE HIGHWAYS!
3. PILOTS USE TINY BUTTONS AND SCREENS! INSIDE THE COCKPIT, PILOTS HAVE LOTS OF BUTTONS TO HELP THEM FLY SAFELY—KIND OF LIKE A SUPER COOL VIDEO GAME!
4. SOME PLANES FLY HIGHER THAN MOUNTAINS! BIG AIRPLANES CAN FLY SO HIGH, THEY GO ABOVE THE CLOUDS—HIGHER THAN MOUNT EVEREST!

LABEL ME

Label the part of the airplane from the list
